

Organizing Your Supporting Materials

List of figures (I like to list these in approximate order):

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

List of tables (note: for most of the journals for my field, only small main tables can go in the main text. Larger tables go in as “Supplementary Tables” even if they contain important results.)

- 1.
- 2.
- 3.

Topics/results/material for the supplement:

-
-
-
-
-
